### GENERAL DESCRIPTION

Performs routine (journey-level) consultative services and technical assistance work. Work involves assisting with planning, developing, and implementing an agency program and providing consultative services and technical assistance to program staff, government agencies, community organizations, or the general public. Works under moderate supervision, with limited latitude for the use of initiative and independent judgment.

### EXAMPLES OF WORK PERFORMED

- Performs an array of technical, training, research, planning, policy, program assessment, and administrative activities related to program assignment.
- Serves as a liaison to staff, government agencies, community organizations, or the general public to assist in explaining program specifics and requirements.
- Markets program(s) to community and professional groups to encourage and/or improve interest in the program(s).
- Monitors and reviews compliance with requirements, laws, regulations, policies, and procedures for the assigned program.
- Assists with the collection, organization, analysis, and/or preparation of materials in response to requests for program information and reports.
- Assists in providing consultative services and technical assistance for agency programs.
- Assists with the preparation of administrative reports, studies, and specialized projects.
- Assists in preparing comprehensive reviews of literature, statutes, rules, and/or policies.
- Assists with the review of program area operations to identify areas in need of change and assists with the development of plans to improve or address areas of concern.
- Attends seminars and workshops as needed and approved.
